

Bench Brush, Medium Bristles

Series 4589

Finger Support

Prevents the brush from slipping out of the user's hand

Hanging Hole

Drop-shaped hole is large and easy to clean

Ergonomic Handle

Rounded underside that rolls in the user's palm when sweeping from side to side

Hygienic Design

Angled and rounded surfaces improve brush cleanability

Angled Bristles

Allows suitable access to dirt hiding in crevices

This is a dusting brush with a smooth, ergonomically designed handle. It is also used as a dustpan brush on floors.

Bench Brush

4589

This is a dusting brush with a smooth, ergonomically designed handle. The medium strength bristles remove moist or medium sized particles, such as sugar, chocolate, pastry, vegetable peelings. It is also used as a dustpan brush on floors.

The Color-Coding System

Remco and Vikan® brands offer an integrated color-coding system to help mitigate the risk of cross-contamination in food processing facilities. With an array of color-coded tools and storage brackets, and years of experience building effective color-coding systems, the experts at Remco Products Corporation can help you effectively apply color-coding to divide and identify different zones or processing tasks. As a result, workers can more easily comply with material handling and hygienic cleaning procedures to maintain stringent food safety standards.

Please see the full-line catalog for a complete list of Remco™ and Vikan® products.
