

Coarse Brown Pad

Series 5523 or 5523-10PK

REMCO

Coarse and Abrasive

The maximum scrubbing power in a pad

Best on Floors

These pads have enough abrasive power to rip through dried or sticky dirt

This is a coarse brown pad made from polyester fibers with a high level of abrasiveness. Single pads or pad 10 packs are available.

Coarse Brown Pad

5523 or 5523-10PK

The coarse brown pad is tough on stubborn dirt and grime, especially on floors.

The Color-Coding System

Remco and Vikan® brands offer an integrated color-coding system to help mitigate the risk of cross-contamination in food processing facilities. With an array of color-coded tools and storage brackets, and years of experience building effective color-coding systems, the experts at Remco Products Corporation can help you effectively apply color-coding to divide and identify different zones or processing tasks. As a result, workers can more easily comply with material handling and hygienic cleaning procedures to maintain stringent food safety standards.
