

# 1" Pastry Brush

Series 555030

## Hanging Hole

Easy hanging hole makes storage simple

## Ergonomic Grip

Worker-friendly grip won't strain hands during delicate, repetitive motions

## Extra-Soft Bristles

Bristles won't damage delicate baking mixes

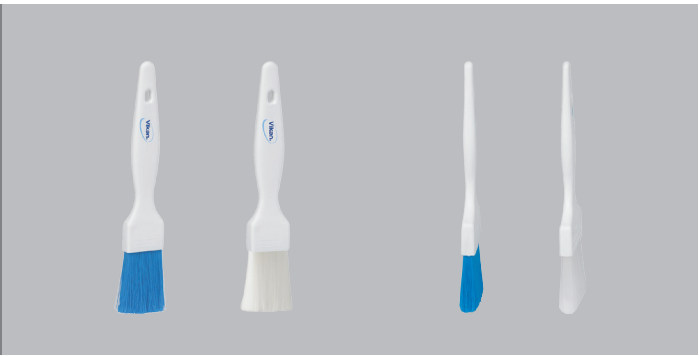

This pastry brush is super soft and does not damage the pastry when applying egg, oil, butter, etc. The ergonomically friendly grip allows workers to complete repetitive motions without harming their hands. The storage hook allows for easy storage, too.

Vikan pastry brushes are available in three sizes:

- 1" (555030x)
- 2" (555050x)
- 3" (555070x)

## 1" Pastry Brush

555030

The 1" Pastry Brush from Vikan is designed with soft bristles that won't damage delicate pastries and an ergonomic grip. The smooth angles make cleaning the brush easier, and the hanging hole makes it easy to hang the brush to dry.

## The Color-Coding System

Remco and Vikan® brands offer an integrated color-coding system to help mitigate the risk of cross-contamination in food processing facilities. With an array of color-coded tools and storage brackets, and years of experience building effective color-coding systems, the experts at Remco Products Corporation can help you effectively apply color-coding to divide and identify different zones or processing tasks. As a result, workers can more easily comply with material handling and hygienic cleaning procedures to maintain stringent food safety standards.

Please see the full-line catalog for a complete list of Remco™ and Vikan® products.
