

Remco 80" Hazmat Handle

Series 6080

REMCO

Remco's hazmat handles are essential elements of a low-cost, total solution to chemical clean-up tasks. Stiff but lightweight, they feature honeycomb construction with smooth, chemically resistant gel-coat surfaces.

Remco 80" Hazmat Handle

6080

Available in white only

Remco's longest hazmat handle makes cleaning up chemical spills in hard-to-reach places easy. The handle pairs well with a brush head or our hazmat squeegees to clean chemical spills on the floor or on walls. The added length makes it possible to reach between the largest machinery.

Specifications:

- Length: 80"
- Width: 1"
- Height: 1"
- FDA-Compliant Raw Material: No
- Material: Fiberglass
- Unit Weight: 1.76 lbs

Colors

When ordering, add the color digit to the base part number to denote color.

The Color-Coding System

Remco and Vikan® brands offer an integrated color-coding system to help mitigate the risk of cross-contamination in food processing facilities. With an array of color-coded tools and storage brackets, and years of experience building effective color-coding systems, the experts at Remco Products Corporation can help you effectively apply color-coding to divide and identify different zones or processing tasks. As a result, workers can more easily comply with material handling and hygienic cleaning procedures to maintain stringent food safety standards.

Please see the full-line catalog for a complete list of Remco™ and Vikan® products.
