

Wall Bracket for Bucket

Series 16200

Versatile Hanging Options

Bucket can hang either upright or upside down for drying purposes

Stainless-Steel Construction

Product won't rust or corrode and is chemical resistant

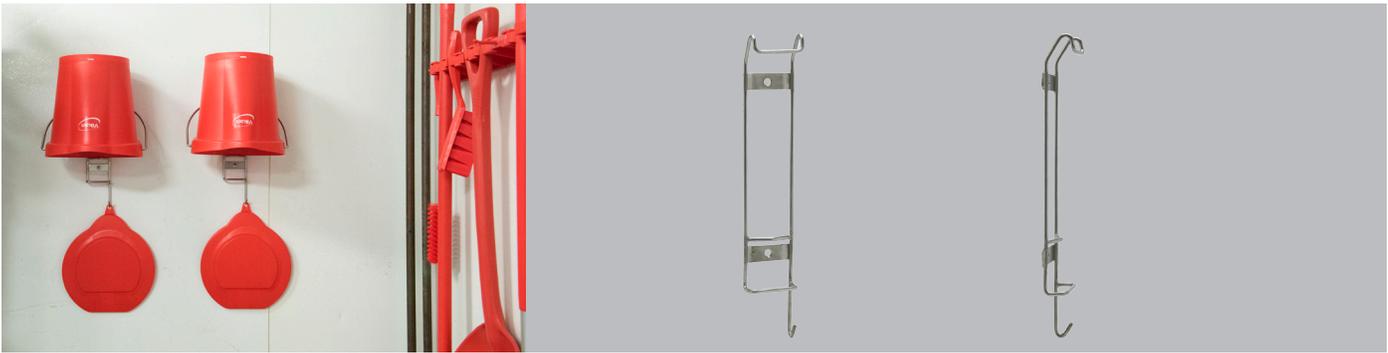

Includes Hardware

Comes with the screws and wall anchors needed to hang the piece

Bucket Hook

Allow buckets to dry by hanging the lid separately beneath the bucket

This wall bracket comes with a hook to store the lid. The bracket can be used with the 1.5 Gallon Bucket 5688x and Lid 5689x, or 3 Gallon Bucket 5686x and Lid 5687x. Allows for sanitary storage, as the bucket can be hung upside down and the lid can be hung separately on its own hook. Especially useful in wet processing applications, the mounting bracket is a practical solution for drying and storing buckets.

Wall Bracket for Bucket

16200

The Wall Bracket for Bucket is a convenient and sanitary storage solution for our 1.5 and 3 gallon buckets. The lid hangs separately to allow the bucket to dry, and the bucket itself can be hung either upright or upside down.

The Color-Coding System

Remco and Vikan® brands offer an integrated color-coding system to help mitigate the risk of cross-contamination in food processing facilities. With an array of color-coded tools and storage brackets, and years of experience building effective color-coding systems, the experts at Remco Products Corporation can help you effectively apply color-coding to divide and identify different zones or processing tasks. As a result, workers can more easily comply with material handling and hygienic cleaning procedures to maintain stringent food safety standards.

Please see the full-line catalog for a complete list of Remco™ and Vikan® products.
