

# 62" Waterfed Aluminum Handle w/ Barbed Fitting

Series 29915Q

## Male Quick Disconnect Fitting

Pairs with female quick connect adapter, 0703US, to provide a convenient, easy fitting system

## Easy Grip

Long poly grip increases durability and makes the handle ergonomically friendly

## Hollow Polypropylene

Strong and FDA-approved material allows water to flow through the handle

## Hygienic Euro Thread

Hygienically designed Euro thread prevents walk-off and is easy to clean

This waterfed handle allows water to travel through it for use in conjunction with a condensation squeegee or waterfed brush system. The quick connect coupling feature allows for easy attachment of a hose or bottle.

## 61" Waterfed Aluminum Handle w/ Quick Disconnect Fitting

29915Q

□  
5

Combines with a hose fitted with our quick connect fitting to provide a steady stream of water when needed and an easy way to shut it off when the job is done.

## The Color-Coding System

Remco and Vikan® brands offer an integrated color-coding system to help mitigate the risk of cross-contamination in food processing facilities. With an array of color-coded tools and storage brackets, and years of experience building effective color-coding systems, the experts at Remco Products Corporation can help you effectively apply color-coding to divide and identify different zones or processing tasks. As a result, workers can more easily comply with material handling and hygienic cleaning procedures to maintain stringent food safety standards.
