

Remco 36" Hazmat Handle

Series 6036

REMCO

Remco's hazmat handles are an essential element of a low-cost, total solution to chemical clean-up tasks. Stiff but lightweight, they feature honeycomb construction with smooth, chemically resistant gel-coat surfaces.

Remco 36" Hazmat Handle

6036

Available in white only

This mid-length hazmat handle allows you to clean a chemical spill economically and efficiently. The handle size is ideal for pairing with squeegee and brush heads to clean in between machinery and into hard-to-reach spots to clean dangerous spills.

Specifications:

Length: 36.1"
 Width: 1.3"
 Height: 1.3"
 FDA-Compliant Raw Material: No
 Material: Fiberglass
 Unit Weight: 0.84 lbs

Colors

When ordering, add the color digit to the base part number to denote color.

The Color-Coding System

Remco and Vikan® brands offer an integrated color-coding system to help mitigate the risk of cross-contamination in food processing facilities. With an array of color-coded tools and storage brackets, and years of experience building effective color-coding systems, the experts at Remco Products Corporation can help you effectively apply color-coding to divide and identify different zones or processing tasks. As a result, workers can more easily comply with material handling and hygienic cleaning procedures to maintain stringent food safety standards.

Please see the full-line catalog for a complete list of Remco™ and Vikan® products.
