

Remco 61" Hazmat Handle

Series 6061

REMCO

Remco's hazmat handles are essential elements of a low-cost, total solution to chemical clean-up tasks. Stiff but lightweight, they feature honeycomb construction with smooth, chemically resistant gel-coat surfaces.

Remco 61" Hazmat Handle

6061

Available in white only

This full-size hazmat handle allows workers to clean a chemical spill economically and efficiently. The handle pairs well with our squeegee heads to clean chemical spills on floors, and the longer length adds comfort during large clean-ups.

Specifications:

Length: 61"

Width: 1.3"

Height: 1.3"

FDA-Compliant Raw Material: No

Material: Fiberglass

Unit Weight: 1.35 lbs

Colors

When ordering, add the color digit to the base part number to denote color.

The Color-Coding System

Remco and Vikan® brands offer an integrated color-coding system to help mitigate the risk of cross-contamination in food processing facilities. With an array of color-coded tools and storage brackets, and years of experience building effective color-coding systems, the experts at Remco Products Corporation can help you effectively apply color-coding to divide and identify different zones or processing tasks. As a result, workers can more easily comply with material handling and hygienic cleaning procedures to maintain stringent food safety standards.
