

Remco 72" Hazmat Handle

Series 6072

REMCO

Remco's hazmat handles are essential elements of a low-cost, total solution to chemical clean-up tasks. Stiff but lightweight, they feature honeycomb construction with smooth, chemically resistant gel-coat surfaces.

Remco 72" Hazmat Handle

6072

Available in white only

This long hazmat handle allows you to clean a chemical spill economically and efficiently. The handle size is ideal for cleaning up dangerous spills between machinery and in hard-to-reach spots. The extra length allows for thorough clean-up of places otherwise out of reach.

Specifications:

- Length: 72"
- Width: 1"
- Height: 1"
- FDA-Compliant Raw Material: No
- Material: Fiberglass
- Unit Weight: 1.61 lbs

Colors

When ordering, add the color digit to the base part number to denote color.

The Color-Coding System

Remco and Vikan® brands offer an integrated color-coding system to help mitigate the risk of cross-contamination in food processing facilities. With an array of color-coded tools and storage brackets, and years of experience building effective color-coding systems, the experts at Remco Products Corporation can help you effectively apply color-coding to divide and identify different zones or processing tasks. As a result, workers can more easily comply with material handling and hygienic cleaning procedures to maintain stringent food safety standards.

Please see the full-line catalog for a complete list of Remco™ and Vikan® products.
