

Double Grip Wide Shovel

Series 6984

REMCO

Textured Grip

Ideal for food processing applications involving raised surfaces and containers.

One-Piece Construction

Eliminates seams and crevices where bacteria can hide.

Second Grip

Allows extra leverage for heavy loads and may also be used as a foot push.

Durable Plastic Blade

Bears a considerable load, but will not damage expensive floors or equipment.

This Remco one-piece polypropylene shovel is tough, lightweight and ergonomic. It is molded from FDA-compliant materials, and features a second grip that may also be used as a foot push.

Double Grip Wide Shovel

6984

The double grip wide shovel is especially effective and helpful when scooping materials that are heavy by nature. This shovel is popular for meat, dairy, seafood, and poultry processing, as well as commercial fishing and other food handling applications.

Specifications:

Overall Length: 48"
 Blade Width: 14"
 Blade Height: 18"
 Weight: 5.0 lbs
 FDA Compliant Raw Materials: Yes
 Material: Polypropylene

Colors

When ordering, add the color digit to the base part number to denote color.

The Color-Coding System

Remco and Vikan® brands offer an integrated color-coding system to help mitigate the risk of cross-contamination in food processing facilities. With an array of color-coded tools and storage brackets, and years of experience building effective color-coding systems, the experts at Remco Products Corporation can help you effectively apply color-coding to divide and identify different zones or processing tasks. As a result, workers can more easily comply with material handling and hygienic cleaning procedures to maintain stringent food safety standards.
