

Baker's Brush

Series 4582

Easy-Grip Block

Block design is ergonomically friendly and easy for workers to hold

Soft Bristles

Soft bristles efficiently sweep fine particles such as flour and other dry powders

This long, narrow, fully color-coded hand brush is perfect for dusting large surface areas like tables and equipment. The soft bristles are designed for brushing dry, fine particles like dust, flour, and powdered sugar.

Baker's Brush

4582

The Baker's Brush from Vikan has three rows of soft bristles to efficiently sweep dry, fine powders like flour and sugar. The block is molded to increase worker comfort and includes a hanging hole for easy storage.

The Color-Coding System

Remco and Vikan® brands offer an integrated color-coding system to help mitigate the risk of cross-contamination in food processing facilities. With an array of color-coded tools and storage brackets, and years of experience building effective color-coding systems, the experts at Remco Products Corporation can help you effectively apply color-coding to divide and identify different zones or processing tasks. As a result, workers can more easily comply with material handling and hygienic cleaning procedures to maintain stringent food safety standards.

Please see the full-line catalog for a complete list of Remco™ and Vikan® products.
